Art in the Legislature is a partnership between the
Michigan Association of State Universities and the Michigan Legislature
to promote art in everyday life.

**Thank you to the artists for
participating in the 20th annual
Art in the Legislature program.**

The goal is to provide a public, highly visible forum in which to showcase the creative talents of students attending Michigan's 15 public universities. This year, the exhibition features 47 distinct works from 35 student artists.

All visitors are invited to utilize this guide to tour the Anderson House Office Building (HOB) and the Binsfeld Office Building (BOB) to view the students' artwork.

The artwork will be on display until September 2025. At the conclusion of the annual cycle, the pieces will be returned to the respective universities for distribution to the student artists.
