*CMU - Percentage change for class level represents change that a student will see from what they were charged last year.

(Ex: Fresman 2007-08 to Sophomore 2008-09 = 0.0% change). Overall percent change represents average change from last year across all levels.

*FSU - Over a two-year period, Ferris has transitioned from a block rate structure to a per-credit hour structure. Due to a discount block rate provided to continuing students last year, the increase in the average full-time tuition rate is calculated to be 14.3 percent for FY2008-09. The increase in the university's per-credit hour rate is only 6.4%
